Dear Sir:

Enclosed please find our report for the season
1914, which we trust you will find satisfactory and in order.
You will notice that we use only purse seines in our operations.

We also desire to call your attention to the fact
that we have given you under the additional or explanatory in-
formation statistics showing the amount of herring sold by
us for bait to halibut fishing vessels for the season 1911 to
1914 and you will note the material increase in same.

Very respectfully,

ALASKA OIL & GUANO COMPANY

Asst. to the President.
